Minor in Leadership and Public Service

The Minor in Leadership & Public Service is a self-crafted, 15 credit hour minor that combines an academic component of courses in leadership, public policy, ethics, and social issues with a strong focus on service-learning, community, service, and public service internships. By completing the Minor, you are also automatically eligible for the Multicultural Certificate!

**Component 1:** Srv_Lrn 2021/H MU Community Engagement Project (3)

There are course options from 19 departments to make it easy to find classes that will fit within the minor requirements. The list can be found on the minor page of our website or on our Blackboard.

**Component 3:** Field Experience (6)

These courses are designed to promote a commitment to public service and teach essential skills through experience. Options are government and non-profit internships, Service-Learning Courses, and Global Service Trips.
